Employee Satisfaction Policy

Akfen Construction is aware that ensuring employee satisfaction and relevant improvement activities are the basis of corporate sustainability. Employee satisfaction is recognized as one of the basic elements of the human resources policies of Akfen Construction.

For this purpose:

- It conducts practices aimed at ensuring the continuity of qualified employment.
- To ensure employee satisfaction at maximum level; fair and performance-based wage and bonus management is conducted, working conditions are arranged to ensure the well-being of employees at the highest level, and improvement is supported in each stage.
- Various methods are used to measure employee satisfaction.
